REPORT FOR THE WEEK OF 5 - 9 MAY

To:

From:

25X1

1. Had a good conference at D Street last Friday: [redacted] 25X1 and myself. We [redacted] clarified a good many points about the training and testing 25X1 programs planned for D Street. We also checked the need for 25X1 a full partition between rooms 510 and 514 at [redacted] Through an error, the space people had evidently been given the 25X1 impression that the request for a full partition between these rooms could be disregarded. I have asked [redacted] to 25X1 re-activate this request and to get this full partition up as soon as possible, - the space of one room would be quite useless without the full partition between the rooms.

2. [redacted] 25X1

3. I had a good preliminary discussion with [redacted] OSI, 25X1 regarding plans to continue the training program in OSI to improve report writing. To follow up again next Monday.

4. Conducted two lecture-discussions on executive development in the UTG/A program. 25X1

5. [redacted] 25X1

6. Meeting with [redacted] staff to discuss overall problems of 25X1 evaluating the work of students in our programs.

7. I have requested [redacted] to be prepared to give us a ten minute annual report on the UTG/A library at our general staff meeting, Thursday, 15 May, if entirely agreeable to you. Will [redacted] arrange
